

Wolf Gourmet® Food Grinder Attachment for Stand Mixer

Transform Your Wolf Gourmet Stand Mixer: Expand the capabilities of your Wolf Gourmet® Stand Mixer into a top-performing multi-food grinder and sausage stuffer. The grinder attachment easily locks into the stand mixer's power hub for instant motorized operation. Efficiently grind raw or cooked meats, hard cheeses, relishes, fruit preserves or bread powered by your Wolf Gourmet® Stand Mixer.

Endless Possibilities: The Wolf Gourmet® Food Grinder Attachment is constructed of durable stainless steel and cast aluminum for many years of food preparation. The grinder attachment includes three stainless discs to achieve fine, medium and coarse textures; a food pusher, a sausage disc and stuffing funnel. Prepare homemade sausage, meatballs, hamburger or even a spicy chutney with this versatile food grinder.

Convenient Storage: The Wolf Gourmet® Food Grinder Attachment comes with a convenient storage case, and the lid doubles as a large removable food tray that allows you to process more ingredients in a single batch. Neatly stow all parts when not in use; the inverted tray functions as the lid for the storage case.
